

**NEWS UPDATE! We are extending our call for abstracts deadline to **Friday 8 February 2019****

Thank you to everyone who has already submitted their abstracts for the 6th International Conference Energy & Meteorology.

We're excited to have received so many submissions on a variety of topics including finance, UAVs, smart tools, natural hazards and power forecasting, from leading climate and energy organisations like the Met Office, European Environment Agency, EDF Energy, RTE France, Centrica, ECMWF and more.

We're keen to make sure no one misses out on this fantastic opportunity to share their work, so we've extended the deadline. If you haven't yet submitted your abstract for ICEM 2019, you have until **Friday 8 February**.
